## Director's Message

**YEE HAW!** What a fun time of year to be from Texas. The excitement from the Houston Rodeo is so contagious. The children love our units on Texas and Farm. They love pretending to be cowgirls and cowboys, wearing their boots and western wear, and participating in the special activities we have planned.

This brings me to the core value of Wee Wuns, that children learn best through play. Their imaginative play while in our program can lead them to a successful school experience. I have included a poem titled "Just Playing". It gives you a glimpse of the amazing things children are experiencing and learning through their play. May we all make time for play, every day.

### Just Playing

When I'm building in the block center,  
Please don't say I'm "Just Playing".  
For, you see, I'm learning as I play,  
About balance and shapes.

Who knows, I may be an architect someday.

When I'm getting all dressed up,  
Setting the table, caring for the babies,  
Don't get the idea I'm "Just Playing".

For, you see, I'm learning as I play.  
I may be a mother or father someday.

When you see me up to my elbows in paint,  
Or standing at an easel, or molding and shaping clay.  
Please don't let me hear you say, "He's Just Playing".

For, you see, I'm learning as I play.  
I may be a teacher someday.

When you see me engrossed in a puzzle or  
Some "plaything" at my school,  
Please don't feel the time is wasted in "Play".

For, you see, I'm learning as I play.  
I'm learning to solve problems and concentrate.

I may be in business someday.  
When you see me cooking or tasting foods,

Please don't think that because I enjoy it, it is "Just Play".

I'm learning to follow directions and see differences.

I may be a cook someday.

When you see me learning to skip,

hop, run and move my body,

Please don't say I'm "Just Playing".

For, you see, I'm learning as I play.

I'm learning how my body works.

I may be a doctor, nurse, or athlete someday.

When you ask me what I've done at school today.

And I say, "I Just Played"

Please don't misunderstand me.

For, you see, I'm learning as I play.

I'm learning to enjoy and be successful in my work

I'm preparing for tomorrow

Today, I am a child and my work is play
